

Child Summary Form

Before enrolling your child, we are required to ask you for information about your child and family for our records.

Child's Name:	DOB:
What is your family background?	
Does your child speak any other languages? If so what language/s?	Yes / No (<i>please circle</i>)
Does your child have any medical or health issues we would need to consider when planning learning experiences? Is so, please give details.	Yes / No (<i>please circle</i>)
What are your child's interests? Does your child have any fears? If so, what are they?	Yes / No (<i>please circle</i>)
What learning experiences or activities does your child like?	
What learning experiences or activities does your child dislike?	

Sharing this information with your child care professionals helps to ensure the safety and well being of your child while they are in child care.

If any of the information supplied to us on your child's enrolment form changes during the course of your child's enrolment, it is your responsibility to ensure that our records are updated. For example:

- if the name, address or phone number of those adults authorised to collect your child changes;
- if your own residential address or phone number changes;
- if a court order or similar arrangement is made in relation to access to your child between yourself and the other parent;
- A change in health, e.g. asthma and allergies, etc.
- Enrolment form information will be updated every six months.

Evaluation:

All children's enrolment forms and necessary information is obtained before child starts care at the centre.
